ABOUT US Back in 95 Brian Solomon went on a fishing trip with friends to Baja and fell in love. After a day of catching he found a place on the marina to enjoy some fish tacos and margaritas. Enjoying the view and relaxed atmosphere he saw an opportunity. Moved his family from California to Cabo and created Solomon's Landing. With his background as a certified chef, passion for fishing and an excellent staff, Solomon's turned into what it is now, an international cuisine restaurant with a specialty in seafood fresh from the Baja and friendly service.
